Article 2.

MEMBERSHIP AND VOTING RIGHTS IN THE ASSOCIATION

2.1 **Membership.** Each Owner, including Developer so long as Developer is a record owner of a fee simple interest in any Lot, automatically is a member of the Association (“**Member**”), except for the following, each of which is considered a “**Non-Member Owner**”:

- (a) the City is not a Member unless it owns a Lot other than the Common Areas, Streets, alleys, park site, or public easements;
- (b) a public school district is not a Member unless it owns a Lot other than one that is used for public school purposes; and
- (c) a utility provider is not a Member unless it owns a Lot other than utility easements.

Membership in the Association is appurtenant to and cannot be separated from ownership of a Lot. Any transfer of fee simple title to any Lot automatically transfers membership in the Association to the new Owner. The word "Owner" as used in this Master Declaration does not include any Non-Member Owner.

2.2 **Classes of Members.** The Association will have two classes of voting Members:

- (a) **Class A. "Class A Members"** will be all Owners except Declarant. Class A Members will be entitled to one vote for each Lot owned by the Class A Member. If a Member owns a Lot plus a portion of an adjacent Lot, the Member will only have one vote. If a Member owns more than one Lot and such Lots have been consolidated into a single building site with the prior written approval of Declarant, the consolidated building site shall be considered one Lot for voting purposes. If a Lot is owned by more than one Owner, each Owner is a Member; however, only one vote may be cast for each Lot. In the event more than one vote is cast per Lot, none of the votes cast for such Lot shall be counted. Any Owner who is not a natural person must designate to the Board in writing an individual who has the authority to represent such Owner in Association matters and to cast all votes of such Owner. An Owner may delegate its right to vote to any tenant occupying the Lot owned by such Owner provided such delegation is made in writing to the Board.
- (b) **Class B.** The sole "**Class B Member**" will be Declarant. The Class B Member will be entitled to three votes for each Lot owned by Declarant plus eight votes for each acre of Property that has not been platted in which either Declarant or Attebury has a property interest; provided, however, the Class B Membership will cease and convert to a Class A Membership when the Development Period ends.

2.3 **No Cumulative Voting.** There will be no cumulative voting.

Article 3. ASSESSMENTS

3.1 **Covenants for Assessments.** The Owner of a Lot, by acceptance of a deed or other conveyance document (*whether or not any agreement to pay assessments is included in such deed or document*), will be deemed to covenant and agree to pay to the Association, or to any Person designated by the Association, all of the following assessments (collectively, the "**Assessments**"):

- (a) Annual Membership Dues as provided in Section 3.2;
- (b) Regular Assessments as provided in Section 3.3;
- (c) Special Group Assessments as provided in Section 3.4;

- (d) Special Individual Assessments as provided in Section 3.5;
- (e) Transfer Assessments as provided in Section 3.6;
- (f) Any fines levied against an Owner as provided in Section 3.7; and
- (g) PID Assessments as provided in Section 3.8, in the event the PID is terminated or dissolved, or if the PID fails to collect PID Assessments, collects inadequate PID Assessments, and/or fails to perform its duties.

3.2 **Annual Membership Dues.** “Annual Membership Dues” may be used to pay any expenses set forth in an annual budget approved by the Board, including, but not limited to, Necessary Association Expenses and other expenses of the Association. Until changed by a Majority Vote of the Members, Annual Membership Dues will be \$120.00 per Lot per year. If a Member owns more than one Lot and such Lots have been consolidated into a single building site with the prior written approval of Declarant, the consolidated building site shall be considered one Lot for the purpose of determining such Member’s Annual Membership Dues. During the Development Period, Declarant shall be exempt from Annual Membership Dues. When a Lot is purchased from Declarant, the Annual Membership Dues will be prorated and collected as of the date of the sale for the remainder of the Association’s fiscal year. Thereafter, Annual Membership Dues will be due and payable as provided in Section 3.9.

3.3 **Regular Assessments.** To the extent necessary in the Board’s opinion, “Regular Assessments” may be assessed solely for the purposes of paying Necessary Association Expenses. Regular Assessments will be determined, allocated, and expended for 12-month periods that coincide with the fiscal year of the Association. Regular Assessments for each fiscal year of the Association will be set by the Board 30 days before the expiration of the preceding fiscal year or as soon thereafter as reasonably possible. Regular Assessments will be allocated among the Owners in the same manner and proportion as the costs and expenses of the PID are assessed by the City against the Owners. Should a surplus from Regular Assessments, other than necessary reserves, exist at the end of any fiscal year, the Board must reduce the next year’s Regular Assessments by an amount equal to such surplus. During the Development Period, Declarant shall be exempt from Regular Assessments. When a Lot is purchased from Declarant, Regular Assessments will be prorated and collected as of the date of the sale for the remainder of the Association’s fiscal year. Thereafter, Regular Assessments will be due and payable as provided in Section 3.9.

3.4 **Special Group Assessments.** With the approval of a Majority Vote of the Members (*with the Class B Member, for such purpose, having only one vote for each Lot owned by the Class B Member*), the Board may levy at any time by written notice to Owners “Special Group Assessments” to pay any unanticipated expenses that normally would have been paid by Annual Membership Dues or Regular Assessments. Special Group Assessments will be allocated among Owners in the same manner as Regular Assessments. During the Development Period, Declarant shall be exempt from Special Group Assessments.

3.5 **Special Individual Assessments.** Subject to the notice requirements set forth in the Bylaws, the Board may levy “**Special Individual Assessments**” against an Owner to pay the costs and expenses:

- (a) to maintain improvements and landscaping on such Owner’s Lot if the Owner of the Lot fails to properly maintain the improvements and landscaping;
- (b) to repair and replace the Enhanced Public Improvements if they are damaged or destroyed, directly or indirectly, by the acts or omissions of an Owner or its agents, contractors, employees, occupants or visitors, as determined by the Board; and
- (c) of reasonable attorneys’ fees and court costs incurred to enforce the Association Documents and for the collection of the Assessments.

3.6 **Transfer Assessments.** Each Owner—except Declarant—must pay or cause to be paid to the Association a “**Transfer Assessment**” and a fee for preparing a “**Resale Certificate**” each time title to a Lot is transferred. If title to a Lot is transferred because of a foreclosure, the Transfer Assessment and the fee for the preparation of the Resale Certificate must be paid by either the lender foreclosing on a Lot or the buyer at the foreclosure sale. Upon receipt of the Transfer Assessment and the fee for the preparation of the Resale Certificate, the Association or its designee will issue a Resale Certificate. Until changed by the Board, the Transfer Assessment is \$50.00 and the Association’s fee for preparing the Resale Certificate is \$250.00. The buyer of a Lot must furnish the Association with the owner information required in Section 5.10.

3.7 **Fines.** Subject to the notice requirements set forth in the Bylaws, the Board may levy reasonable fines against an Owner for a violation of the Association Documents.

3.8 **PID Assessments.** The Owner of a Lot, by acceptance of a deed or other conveyance document (*whether or not any agreement to pay assessments is included in such deed or document*), will be deemed to covenant and agree to pay to the City, or its successors and/or assigns, all assessments pursuant to City of Amarillo Resolution No. 08-01-17-1 and Chapter 372 of the Texas Local Government Code as then in effect (the “**PID Assessments**”). In the event the PID is terminated or dissolved or if the PID fails to collect PID Assessments, collects inadequate PID Assessments, and/or fails to perform its duties pursuant to City of Amarillo Resolution No. 08-01-17-1 and Chapter 372 of the Texas Local Government Code as then in effect, the Association will have the authority and duty to continue the services of the PID, to perform the duties of the City as set forth in City of Amarillo Resolution No. 08-01-17-1 and Chapter 372 of the Texas Local Government Code, and to meet the obligations of indebtedness to Declarant for its hard costs, soft costs, costs of maintenance, and accrued interest, whether such costs are incurred by Declarant while the PID is in effect or following the termination or dissolution of the PID. In such event, the Board shall levy PID Assessments against the Owners and allocate them among the Owners on the same basis as the City last allocated them, or if the City has not previously made such allocation, the allocation shall be established by the Board in an equitable manner. In the event that such PID Assessments are

levied by the Board, they shall be deemed "Assessments" subject to the Assessment Lien described in Section 3.12 below.

3.9 Due Date of Assessments. Annual Membership Dues and Regular Assessments are payable within 30 days after an invoice is mailed to an Owner. The due date of Special Group Assessments, Special Individual Assessments, and fines will be fixed in the written notice levying such Assessment, but such due date will not be earlier than 15 days after the date of such notice. A Transfer Assessment is due before the deed conveying the Lot is filed in the Official Public Records of Randall County, Texas. PID Assessments are due on or before January 31 of each year. Each Owner, if requested by the holder of a deed of trust lien on the Lot owned by such Owner, must pay the Assessments and PID Assessments to such lienholder as a part of the escrow amounts included in monthly mortgage payments. The lienholder will be obligated to pay the Assessments and PID Assessments to the extent it has funds in escrow for such purpose.

3.10 Alternative Payment Schedule. Upon request by a delinquent Owner, the Board shall provide such delinquent Owner with an alternative payment schedule by which an Owner may make partial payments to the Association for delinquent Assessments or any other amount owed to the Association without accruing additional monetary penalties. For purposes of these guidelines, monetary penalties do not include reasonable costs associated with administering the payment plan or interest. Owners will be provided an alternative payment plan to repay the balance due in at least three equal monthly installments of principal, with interest accruing at the rate charged all delinquent owners, and reasonable costs associated with administering the payment plan. The Board shall not be required to (1) provide a payment plan for any amount that extends more than 18 months from the date of the Owner's request for a payment plan; (2) enter into a payment plan with an Owner who failed to honor the terms of a previous payment plan during the two years following the Owner's default under the previous payment plan; (3) make a payment plan available to an Owner after the period for cure described by Texas Property Code Section 209.0064(b)(3) expires; and/or (4) allow an Owner to enter into a payment plan more than once in any 12-month period.

3.11 Personal Obligation for Payment of Assessments. The Assessments are personal obligations of the Owner of each Lot. No Owner is exempt from liability for Assessments; provided, however, the Declarant is exempt from Assessments during the Development Period. If an Owner does not pay an Assessment in full when due, such Owner must pay a late fee of \$50.00 (or such other amount as set by the Board) plus interest on the unpaid Assessment from the due date until paid at the Default Rate of Interest together with all costs and expenses of collection incurred by the Association, including, but not limited to, reasonable attorneys' fees. A service charge in an amount established by the Board may be charged for each check for an Assessment that is returned unpaid. The Board may reject any partial payment of Assessments and demand full payment, or the Board may accept partial payment without waiving any rights to the remaining balance. In the event of any transfer of any ownership interest in a Lot, it will be the obligation of the transferring Owner to disclose the existence of all sums due and owing the Association to the transferee, the title company designated to handle such transaction, the financing entity, and any other party involved in the transaction. Such disclosure must be given before the date on which the transaction is to be consummated. At the same time, a copy of the disclosure must also be sent to the Association or its designee at the address reflected in the latest management certificate filed of record for the

Association. Notwithstanding any agreement to the contrary, a transferring Owner remains personally liable for all sums that are due and owing to the Association at the time of a transfer and the transferee is also liable for such sums. In other words, the transferring Owner and the transferee Owner are jointly and severally liable to the Association for such sums. Further, the Assessment Lien provided for below will be unaffected by the transfer of any ownership interest in a Lot.

3.12 **Assessment Lien.** All future Assessments and all unpaid Assessments, together with interest from the due date until paid at the Default Rate of Interest and together with the costs and expenses of collection incurred by the Association, including, but not limited to, reasonable attorneys' fees and court costs, are secured by a continuing contractual lien (the "**Assessment Lien**") against the affected Lot. The Assessment Lien encumbers each Lot and is binding on the Owner thereof and the Owner's heirs, successors, devisees, personal representatives, and assigns. The Assessment Lien attaches to each Lot as of the date of this Master Declaration and on Lots included in future Plats as of the date future Plats are recorded in the Official Public Records of Randall County, Texas, and is superior to all liens other than:

- (a) the lien securing real estate taxes; and
- (b) the lien securing assessments to pay costs and expenses of the PID.

3.13 **Disclosure.** ALL LOTS ARE CONVEYED AND ACCEPTED BY THE OWNER THEREOF SUBJECT TO THE ASSESSMENT LIEN. THE ASSESSMENT LIEN ATTACHES TO ALL LOTS AND IS SUPERIOR TO ANY HOMESTEAD RIGHTS THAT MAY BE ASSERTED BY THE PURCHASERS OF LOTS.

3.14 **Unpaid Assessments.** To evidence unpaid Assessments, the Association may prepare and record in the Official Public Records of Randall County, Texas, a written notice of unpaid Assessments ("**Notice of Unpaid Assessments**") setting forth:

- (a) the amount of the unpaid Assessments;
- (b) the amount of interest owed thereon computed at the Default Rate of Interest from the due date;
- (c) the amount of late fees owed to the Association;
- (d) the amount of costs and expenses of collection incurred by the Association, including, but not limited to, reasonable attorneys' fees;
- (e) the name of the Owner of the affected Lot; and
- (f) a description of the affected Lot.

If such a notice is recorded, it must also be sent to the Owner of the affected Lot. If a Notice of Unpaid Assessments is filed and the Owner of the affected Lot pays the delinquent Assessments

according to the terms hereof, the Notice of Unpaid Assessments will have no further effect. The Association must record—at the affected Owner's expense—a release of any recorded Notice of Unpaid Assessments when the Assessments, interest, late fees, recording fee for the release, and all collection costs, including reasonable attorneys' fees, have been paid in full.

3.15 Certificate of Assessment. Upon request by an Owner, the Association must furnish, at the Owner's expense, a certificate setting forth any unpaid Assessments owed by an Owner.

3.16 Enforcement. The Assessment Lien may be enforced by judicial foreclosure or by expedited foreclosure proceedings, pursuant to the provisions of Texas Property Code Section 209.0092 and Texas Rules of Civil Procedure Rules 735 and 736 (and any successor statutes), and each Owner hereby expressly grants the Association a power of sale in connection therewith. Expedited foreclosure is not required if the Owner of the Lot to be foreclosed agrees in writing to waive expedited foreclosure, and in such event the Assessment Lien may be enforced by non-judicial foreclosure through a public sale according to Section 51.002, Texas Property Code, as then amended, without the necessity of the Association first obtaining a court order under Texas Property Code Section 209.0092 and Texas Rules of Civil Procedure Rules 735 and 736. In addition, the Association may institute suit against the Owner of the affected Lot to obtain a judgment for all sums due and owing to the Association. The Association may purchase any Lot at foreclosure and may acquire, hold, lease, mortgage, convey, or otherwise deal with such Lot. For value received and to secure payment of the Assessments, Developer conveys the Lots to Todd W. Boykin, Trustee, whose address is Burdett, Morgan, Williamson & Boykin, LLP, Attn: Todd W. Boykin, 701 S. Taylor, Suite 440, LB 103, Amarillo, Texas 79101, and to his successors ("**Trustee**"), in trust, and Developer warrants and agrees to defend title to the Lots by, through, and under Developer, but not otherwise.

3.17 Notice and Opportunity to Cure for Certain Other Lienholders. The Association may not foreclose its Assessment Lien unless it has first: (1) provided written notice by certified mail, return receipt requested, of the total amount of the delinquency to any other holder of a lien that is inferior or subordinate to the Association's lien and is evidenced by a deed of trust that is recorded in the Official Public Records of Randall County, Texas; and (2) provided the recipient of the notice an opportunity to cure within sixty-one (61) days from the receipt of the notice.

3.18 Enforcement Rights. The Association has the following rights to enforce payment of Assessments after obtaining a court order under Texas Property Code Section 209.0092 and Texas Rules of Civil Procedure Rules 735 and 736 (unless the Owner of the Lot to be foreclosed agrees in writing to waive expedited foreclosure, in which case the court order shall not be necessary):

- (a) The Association may appoint in writing a substitute or successor trustee, succeeding to all rights and responsibilities of Trustee.
- (b) If an Owner defaults in payment of an Assessment and the default continues after the Association gives the Owner notice of the default and

the time within which it must be cured, as may be required by law or by written agreement, then the Association may:

(1) request Trustee to foreclose the lien, in which case, the Association or the Association's agent will give notice of the foreclosure sale as provided by the Texas Property Code, as then amended; and

(2) purchase the Lot at any foreclosure sale by offering the highest bid and then have the bid credited on the Assessments.

3.19 Trustee's Duties. If requested by the Association to foreclose a lien, Trustee will:

(a) either personally or by agent give notice of the foreclosure sale as required by the Texas Property Code, as then amended;

(b) sell and convey the Lot to the highest bidder for cash with a general warranty binding the Owner, subject to prior liens and to other exceptions to conveyance and warranty; and

(c) from the proceeds of the sale, pay, in this order:

(1) expenses of foreclosure, including a reasonable commission to Trustee;

(2) to the Association, the full amount of the Assessments, interest, late fees, attorneys' fees, and other charges due and unpaid;

(3) any amounts required by law to be paid before payment to Owner; and

(4) to the Owner, any balance.

3.20 General Foreclosure Provisions.

(a) If a Lot is sold by the Trustee under this Master Declaration, the Owner must immediately surrender possession to the purchaser. If the Owner fails to do so, the Owner will become a tenant at sufferance of the purchaser, subject to an action for forcible detainer.

(b) Recitals in any Trustee's deed conveying the Lot will be presumed to be true.

(c) Proceedings under this Master Declaration, filing suit for foreclosure, or pursuing any other remedy will not constitute an election of remedies.

3.21 Notice After Foreclosure Sale. After the Association conducts a foreclosure sale of an Owner's Lot, the Association, must send to the Owner and to each lienholder of record, not

later than the thirtieth (30th) day after the date of the foreclosure sale, a written notice stating the date and time the sale occurred and informing the Lot Owner and each lienholder of record of the right of the Lot Owner and lienholder to redeem the property under Texas Property Code Section 209.011. The notice must be sent by certified mail, return receipt requested, to (1) the Lot Owner's last known mailing address, as reflected in the records of the Association; (2) the address of each holder of a lien on the Lot that is subject to foreclosure evidenced by the most recent deed of trust filed of record in the real property records of the county in which the property is located; and (3) the address of each transferee or assignee of a deed of trust described by the preceding subdivision (2) who has provided notice to the Association of such assignment or transfer. Notice provided by a transferee or assignee to the Association shall be in writing, shall contain the mailing address of the transferee or assignee, and shall be mailed by certified mail, return receipt requested, or United States mail with signature confirmation to the Association according to the mailing address of the Association pursuant to the most recent management certificate filed of record. If a recorded instrument does not include an address for the lienholder, the Association does not have a duty to notify the lienholder as provided by this section. For purposes of this section, the Lot Owner is deemed to have given approval for the Association to notify the lienholder. Not later than the thirtieth (30th) day after the date the Association sends the notice, the Association must file an affidavit in the Official Public Records of Randall County, Texas, stating the date on which the notice was sent and containing a legal description of the Lot. Any person is entitled to rely conclusively on the information contained in the recorded affidavit. The notice requirements of this section also apply to the sale of an Owner's Lot by a sheriff or constable conducted as provided by a judgment obtained by the Association.

3.22 Right of Redemption After Foreclosure Sale. The Owner of a Lot in the Subdivision or a lienholder of record may redeem the property from any purchaser at a sale foreclosing the Association's Assessment Lien not later than the one hundred eightieth (180th) day after the date the Association mails written notice of the sale to the Owner and the lienholder under Texas Property Code Sections 209.010 and 209.011. A lienholder of record may not redeem the Lot as provided herein before ninety (90) days after the date the Association mails written notice of the sale to the Lot Owner and the lienholder, and only if the Lot Owner has not previously redeemed. A person who purchases a Lot at a sale foreclosing the Association's Assessment Lien may not transfer ownership of the Lot to a person other than a redeeming Lot Owner during the redemption period. The provisions set forth in Texas Property Code Section 209.011 shall govern the right of redemption.

Article 4. ASSOCIATION BOARD OF DIRECTORS

- (i) to change the amount of Regular Assessments;
- (j) to enforce the Association Documents;
- (k) to levy reasonable fines against Owners for violations of the Association Documents;

- (m) to maintain books and records with respect to the business of the Association and with respect to the levy, collection, receipt, administration, expenditure, and disposition of Assessments and other funds of the Association according to sound accounting practices, and to permit any Owner to inspect and copy the same upon reasonable notice during normal business hours at an office of the Association or Declarant; and

- (n) to perform such other duties and functions as are necessary to carry out the rights, duties, and obligations of the Association.

4.4 **Affiliated Contracts.** The Association may contract with any Owner, including without limitation Developer or an Affiliate, for performance of services which the Association is obligated or authorized to perform. All such contracts must be at competitive rates then prevailing for such services and upon other terms and conditions and for the consideration as the Board considers advisable and in the best interest of the Association provided the level of service received is consistent with that available from unrelated third parties.

4.5 **Liability Limitations.** No Owner or Director, officer, employee, or representative of the Association will be personally liable for the debts, obligations, or liabilities of the Association, regardless of how the debts, obligations, or liabilities are evidenced. The Directors, officers, employees, and representatives of the Association will not be liable for any act or omission (*even if such act or omission constitutes negligence*) unless the act or omission constitutes willful misconduct or bad faith and, to the extent not covered by insurance, the Association must indemnify such Directors, officers, employees, and representatives from and against all cost, expense, loss, or liability, including but not limited to reasonable attorneys' fees suffered or incurred by such persons as a direct or indirect result of their having served the Association in their respective capacities. The cost of the indemnity set forth above may be allocated among the Owners as Special Group Assessments or Special Individual Assessments, whichever is applicable. The right to indemnification set forth above will not be exclusive of any other rights to which a Director, officer, employee, or representative may be entitled at law or in equity.

4.6 **Insurance.** The Association may obtain and maintain:

- (a) liability insurance covering Directors, officers, employees, and representatives of the Association, the Common Areas, and/or the Enhanced Public Improvements in such coverages, amounts, and with such endorsements as the Board considers to be necessary and reasonable;
- (b) errors and omissions insurance for Directors, officers, employees, and representatives of the Association;
- (c) fidelity bonds for Directors, officers, employees, and representatives of the Association; and
- (d) casualty insurance on the Common Areas and/or the Enhanced Public Improvements.

All insurance policies must be issued by financially sound companies licensed to do business in Texas. The Association must use net insurance proceeds for the purpose the insurance was obtained, and any proceeds still remaining must be deposited by the Association in its reserve fund. Should insurance proceeds be insufficient to fully satisfy any loss or damage,

the Association may levy Special Group Assessments or Special Individual Assessments, whichever is applicable, to cover such deficiency.

Article 5. GENERAL PROVISIONS

5.1 Binding Effect and Duration. The provisions hereof run with title to all Lots, bind all Owners and occupants of all Lots, and inure to the benefit of and are enforceable by Developer, any Affiliate, the Association, and any Owner, and their respective heirs, executors, legal representatives, successors, and assigns, and will be effective for a period of 60 years after the date this Master Declaration is recorded in the Official Public Records of Randall County, Texas. This Master Declaration will thereafter extend automatically for successive periods of 10 years unless changed by an amendment or termination as provided in Section 5.3.

5.2 Interpretation. The provisions hereof must be liberally interpreted and, if necessary, be extended or enlarged by implication to effectuate the purpose and intent of this Master Declaration. The Board has the right to resolve all questions arising under or in connection with the Association Documents and the right to construe and interpret their provisions. Any determination, construction, or interpretation made by the Board, in the absence of an adjudication by a court of competent jurisdiction that such action was an abuse of discretion, will be binding on the Owners. The provisions hereof must be given full force and effect notwithstanding the existence of any zoning ordinance, building codes, or other applicable regulations which are less restrictive. The effective date of this Master Declaration will be the date it is recorded in the Official Public Records of Randall County, Texas. The captions of each Article and Section hereof are inserted only for convenience and are not intended to be used to define, limit, extend, or otherwise modify the Article or Section to which they refer. This Master Declaration is construed under and according to the laws of the State of Texas.

5.3 Amendment or Termination. Subject to Section 5.5, this Master Declaration may be amended or terminated, in whole or in part, by a written agreement signed by the Owners (as shown by the Official Public Records of Randall County, Texas) of legal title to at least sixty percent (60.0%) of all Lots in the Subdivision. Such amendment or termination must be approved by said Owners within sixty (60) days of the date the first Owner executes such amendment or termination; otherwise, such amendment or termination shall fail. Further, subject to Section 5.5, those Members entitled to cast not less than sixty percent (60.0%) of all of the votes of the Association may also vote in writing to amend or terminate this Master Declaration, in person, or by proxy or absentee ballot if either or both of such voting methods are authorized by the Board, at a meeting of the Members duly called for such purpose. Any amendment or termination shall become effective when an instrument is filed for record in the Randall County, Texas, Official Public Records, accompanied by a certificate, signed by the President or Secretary of the Board of Directors, stating that the required number of Members approved said amendment or termination by written agreement or cast a written vote, in person or by proxy or absentee ballot, in favor of said amendment or termination.

5.4 Minor Changes or Amendments or Amendments to Comply with Law. The Board (by a majority vote of the Directors in an open meeting for which prior notice was given to Members) and the Declarant shall each have the authority (without the joinder of the other,

except to the extent required by Section 5.5, and without the joinder of any other party, except to the extent required by Section 5.5) to make (i) minor changes or amendments to this Master Declaration to correct or clarify errors, omissions, mistakes, or ambiguities contained herein; (ii) make changes required by any governmental agency; and/or (iii) bring this Master Declaration into compliance with any changes in Texas law that are required to be followed.

5.5 Written Approval of Amendment by Declarant, Land Owner, and Public School District. In addition to the requirements for an amendment or termination under Section 5.3 or Section 5.4:

- (a) during the Development Period, no amendment or termination will be effective without the written approval of Declarant; and
- (b) until Plats of all of the Property have been recorded in the Official Public Records of Randall County, Texas, no amendment or termination will be effective without the written approval of the Land Owner; and
- (c) no amendment changing the definition of “Owner” or “Non-Member Owner” or which creates an obligation applicable to any public school district, and specifically of Canyon Independent School District, shall be effective without the express written consent of such public school district.

No amendment or termination will be effective until a written instrument setting forth the terms thereof has been executed by the parties whose approval is required by this Section and has been recorded in the Official Public Records of Randall County, Texas.

5.6 Enforcement. Developer, any Affiliate, the Association, and any Owner have the right, but not the obligation, to enforce the provisions hereof. Enforcement may be made by proceedings at law or in equity. The rights, powers, and remedies provided herein are cumulative, and the exercise by any party of any particular right, power, or remedy will not be deemed an election of remedies and will not preclude such party from resorting to other rights, powers, or remedies. With respect to any litigation hereunder or under the Association Documents, the prevailing party will be entitled to recover reasonable attorneys’ fees and court costs from the non-prevailing party.

5.7 Abatement and Enjoinment of Violations by Owners. The breach of any provision in the Association Documents will give the Board and its agents the right, in addition to any other rights set forth in the Association Documents, to do the following:

- (a) enter the Lot in which, or as to which, the violation or breach exists and to summarily abate and remove, at the expense of the defaulting Owner, any person, structure, thing, or condition that may exist contrary to the intent and meaning of the Association Documents, and the Board and its agents will not be deemed guilty in any manner of trespass; and to expel, remove, and put out, using such force as may be necessary in so doing without being liable to prosecution or any damages therefor; and

- (b) enjoin, abate, or remedy by appropriate legal proceedings the continuance of any breach.

5.8 No Waiver or Obligation to Enforce. No delay or failure by an aggrieved party to invoke any right, power, or remedy available to it for a breach of the Association Documents or the Restrictions will be considered a waiver by that party of such right, power, or remedy upon the recurrence or continuance of the breach or the occurrence of a different breach. Neither Developer nor an Affiliate nor the Association nor their respective officers, directors, employees, or representatives will be obligated to take any action to enforce the Association Documents or the Restrictions. Any statute of limitations for the Association or Developer to take action to enforce the Association Documents or the Restrictions shall not begin to run until the Association or Developer has actual notice of the matter to be enforced.

5.9 Severability. If any condition, covenant, or provision herein contained is invalid—which invalidity will not be presumed until it is determined by the final non-appealable judgment or final non-appealable order of a court of competent jurisdiction—such invalidity will not affect any other condition, covenant, or provision, each of which will remain in full force and effect.

5.10 Owner Information. Except for those Owners who purchase Lots from Declarant, any Person, on becoming an Owner of a Lot, must furnish to the Association or its designee, at the address reflected in the latest management certificate filed of record for the Association, a true and correct copy of the original of the recorded instrument vesting that Person with an interest or ownership in the Lot. A Person will not be deemed to be a Member entitled to vote at any annual or special meeting of Members unless this requirement is first met and unless the Transfer Assessment and any other fees or costs associated with the transfer are first paid to the Association. Each Owner must furnish to the Association written notice of a mailing address and an email address for receiving notices pursuant to the Association Documents. Each Owner must notify the Association in writing of the name and address of all Persons occupying any Lot in which the Owner has an interest. It is the responsibility of the Owner and any occupant of a Lot to keep the required information current and to advise the Association of any changes. Absent any other written notice, notices to an Owner may be sent to the street address of the Lot owned by such Owner.

5.11 Additional Property. The Land Owner or Declarant may in the future, without the joinder of any other Person, subject additional tracts of land to this Master Declaration by recording in the Official Public Records of Randall County, Texas, supplements to this Master Declaration containing the descriptions of the additional tracts of land.

5.12 Notices. Unless otherwise provided in the Association Documents, any notice required in the Association Documents to be given will be deemed to have been given when hand delivered with written evidence of receipt or when deposited in the United States Mail, postage prepaid, certified or registered mail, return receipt requested, addressed:

- (a) for notice to an Owner, to the address of the Owner as shown on the records of the Association at the time of the mailing;

- (b) for notice to Declarant, to 7830 Hillside Road, Unit 300, Amarillo, TX 79119, or to such other address specified by Declarant in a document recorded for such purpose in the Official Public Records of Randall County, Texas; and
- (c) for notice to the Association, to the address reflected in the latest management certificate filed of record for the Association.

5.13 **Mortgagees.** The holder of a mortgage or deed of trust lien affecting a Lot will, upon written request to the Association and upon payment of a reasonable processing fee, be notified in writing by the Association of any default under the Association Documents by the Owner of the encumbered Lot, and the mortgage or deed of trust lien holder has the right to cure the default within the times herein provided for cure by the Owner.

5.14 **Actions of Declarant, Developer, Board, and Association.** Wherever the phrases “Declarant may”, “the Board may”, or “the Association may” appear in the Association Documents, such phrases mean, respectively: “Declarant will have the right and authority, in its sole discretion”, “the Board will have the right and authority, in its sole discretion”, and “the Association will have the right and authority, in its sole discretion”. Wherever the Association Documents provide for a determination, decision, consideration, opinion, belief, judgment, declaration, or other similar action to be given or rendered by Declarant, the Board, or the Association, such determinations, decisions, considerations, opinions, beliefs, judgments, declarations, or other actions will be given or rendered in the sole discretion of Declarant, the Board, or the Association, as the case may be, unless the Association Documents specifically provide to the contrary.

5.15 **Gender.** When the context requires, the singular number includes the plural, the plural the singular, and the use of any gender includes all genders.

5.16 **Conflicts.** Notwithstanding anything contained herein to the contrary, should all or part of this Pinnacle Master Declaration be in conflict with the Texas Business Organizations Code, Texas Property Code, or any other Texas law, such Act or law will control. Should any part of this Pinnacle Master Declaration be invalid or inoperative for any reason, the remaining parts, so far as is possible and is reasonable, will be valid and operative.
